KIRAN JOY CAFÉ

From KIRAN Society

Our café was founded by the NGO "**KIRAN Society**".

It is a center working in a inclusive way for the hostilistic development of children and persons with & without disabilities, and from marginalised sections of the society. There are three main areas : EDUCATION, HEALTH, and LIVELIHOOD.

Founded in 1990 by people from various social, cultural and religious backgrounds, it has continued to work based on the idea of togetherness, enriching everyone's talents and abilities.

Especially in KIRAN Joy Café & Swiss bakery, we empower youngsters by training them to become bakers, cooks and shopassistants.

Our beautiful shop window

You may be wondering what those objects in the café window are?

All the products we sell have been carefully made by young people with disabilities in KIRAN through Livelihood department. From children's toys to bracelets, therapeutical objects, delicate scarves or hand-sewn bags, all products are made with love and joy.

The objective of KIRAN's Livelihood Program is to reduce inequality by generating employment among the youths with and without disabilities. Livelihood program is functioning basically in two-parts, first part is Vocational Skill Training unit and second one is Production unit.

In 2006, the Vocational Skills Training staff started to make some production to give training to special youngsters and for self sustenance.

Actually, they are still making wonderful Crafts & Wood items, and deliciously Food preservation products.

The complete catalog is available at reception

Our products are all handmade, and most of the people challenged with disability working here have been part of our organization for years. Their expertise is the guarantee of the quality of our products.
